A piece of cake is \$0.50. The Boosters are always looking for student or parent volunteers to donate cakes for the Monday lunches.

Chicago Balfour- On September 8th, Mr. Browder from Chicago Balfour will be here to measure for cap and gowns for our seniors. Also he will give out information on rings and announcement packages. Ladies please have an idea of how high your shoes will be for graduation.

New Parent Religious Information Night- On Wednesday, September 8th, at 7:00 PM parents of new students who are not members of our church are required to attend a special presentation of what we believe and teach. This meeting is intended to provide parents with information about our school's religious instruction and give parents and opportunity to ask any questions they may have about our beliefs. The meeting lasts about one hour. Please plan to be with us for this important meeting. Thank you.

Attention all chess enthusiasts- We are beginning something new this year - a Charger Chess League. The CCL matches will take place during M period. This means if you are senior on early release, you must be willing to stay on days when you are scheduled for a match.

If you are interested, sign up on the bulletin board near the lunchroom bathrooms. There will be two divisions. The player division is for those who are relatively new to chess or want to learn how to play. The master division is for all of you who believe you are at or near the top.

If you no longer want to receive this weekly newsletter just let us know and we will remove your name. Have a great weekend.
